1. At present, priests who serve as Pastors of parishes receive a stipend/salary of \$1,777.00 per month.
2. Each Non-Bermudian priest receives pension payments of an extra month's salary in June and November each year. Bermudian clergy and employees of the Diocese are members of the Bermuda Government Pension Program.
3. Health Insurance, payroll tax, social insurance, room and board as well as car expenses are paid by the parish for each Pastor.

7. Fees for the Organist and Leader of Song at Funerals, Weddings and similar events are not considered to be the Church's fees and are not determined by the Diocese. The agreement on their payment must be done directly between the interested party and those who are chosen to serve in these roles. The Parish Office together with the Officiant should assist the interested party in the process of organizing the ceremony, and can facilitate in choosing the organist and song leader but must refrain from being involved in the financial agreement between the parties. Priority of being chosen to serve as an organist or song leader at these events belongs to those who are ordinarily serving in these roles in the Parish of the event.

8. Baptism:

No fees must be requested for a Baptism. If a gratuitous donation is made then 50% goes to the officiant and 50% goes to the Parish.

9. Confirmation:

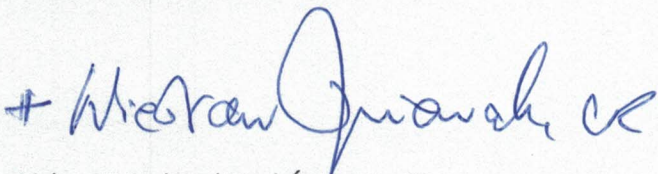

A collection will be taken up at the Confirmation Mass to be used at the Bishop's discretion.

10. Mass Stipends:

- The suggested minimum Mass offering is \$15.00. The entire stipend goes to the celebrant of the Mass.
- Collective Mass Intentions are allowed at one Mass per week.

11. The prescription of Church Law regarding the "Missa Pro Populo" offered weekly by the Bishop and the Pastors must be carefully observed (Can, 388 & 534).

This Fee Schedule was approved and promulgated on the 24th of April, 2024 and with this act all previous fee schedules are no longer valid.
